1. INTRODUCTION

The **C3 Wizard Admin Portal** is a centralized administrative platform designed to manage and monitor levy payment records for:

- Employers
- Non-working Directors
- Self-employed Individuals

This user manual is intended to help administrators understand system functionality, navigate the portal with ease, and perform daily administrative tasks efficiently.

2. SYSTEM OVERVIEW

The Admin Portal provides:

- Real-time visibility into payment statuses
- Graphical representation of paid and unpaid records
- Configuration of levy calculation rules by tax year and pay period

The system is designed to support compliance monitoring and quick decision-making.

3. GETTING STARTED

3.1 SYSTEM REQUIREMENTS

To access and use the portal effectively, ensure the following:

- Stable internet connection
- Latest version of one of the following browsers:
 - Google Chrome
 - Mozilla Firefox
 - Microsoft Edge
- Valid administrator login credentials

3.2 ACCESSING THE PORTAL

- Open your preferred supported browser.
- Navigate to the official **C3 Wizard Admin Portal URL** provided by your organization.

4. LOGIN

Login Steps

1. Enter your **Username** and **Password** on the login screen.
2. Click the **Login** button.
3. Upon successful authentication, you will be redirected to the **Dashboard**.

Forgot your credentials? Contact the system administrator for recovery or reset.

5. DASHBOARD OVERVIEW

The Dashboard is the main landing page after login and provides a consolidated view of levy payment information.

5.1 DASHBOARD SUMMARY

The dashboard displays real-time payment data for:

- Employers
- Non-working Directors
- Self-employed Individuals

This overview allows administrators to quickly identify unpaid or pending accounts.

5.2 PAYMENT STATUS PANEL

The Payment Status Panel shows:

- Current month payment data
- Separate sections for each user category
- Total number of records
- Payment status breakdown:
 - **Paid**
 - **Unpaid**

5.3 PAYMENT GRAPH OVERVIEW

A graphical view provides an intuitive comparison of payment data:

- Color-coded indicators:
 - **Green:** Paid
 - **Light Navy:** Unpaid
- Helps administrators quickly analyse trends and compliance levels

6. LEVY SETTINGS CONFIGURATION

The **Levy Settings** module allows administrators to define levy calculation rules for Employers.

6.1 CONFIGURING LEVY SETTINGS

To configure levy settings:

1. Select the **Tax Year**.
2. Choose the applicable **Pay Period** (e.g., Weekly).
3. Enter the **Tax Rate**.
4. Specify the **Over Amount**.
5. Enter the **Base Amount**.

These values determine how levy amounts are calculated for employer wage records.

18. MY PROFILE

In my profile you can update your user profile like profile picture, first name, Last name, and Email

The screenshot displays a web application interface for managing a user profile. At the top left, there is a hamburger menu icon. The main content area is titled 'User Profile'. On the right side, there is a user profile card for 'Test' with the email 'Test@yopmail.com'. Below the card are links for 'My Profile', 'Change Password', and a 'Logout' button. The main form area contains a placeholder for a profile picture with the text 'Upload Profile Picture'. Below this, there are three input fields: 'First Name *' (containing 'John'), 'Last Name *' (containing 'Doe'), and 'Email*' (containing 'Test@yopmail.com'). At the bottom of the form are two buttons: a green 'Save' button and a red 'Cancel' button.

19. CHANGE PASSWORD

In change password, you can change your user's password by filling mandatory values

The screenshot displays a web interface for changing a password. The main content area features a form titled "Change Password" in green text. The form includes three input fields, each with a placeholder text and a toggle icon (an eye) to show or hide the password:

- Old Password ***: The input field contains the placeholder text "Old Password".
- Password ***: The input field contains the placeholder text "New Password".
- New Password ***: The input field contains the placeholder text "Confirm Password".

Below the input fields is a green button labeled "Change Password".

To the right of the form is a user profile sidebar. It features a user icon, the name "Test", and the email address "test@yopmail.com". Below this, there are three links: "My Profile", "Change Password", and a red "Logout" button.
