At the bottom of the table, it says '1-1 of 1' and there are navigation buttons: '< Back', '1', and 'Next >'.

13. ABOUT US

The About Us page is a read-only page that provides details about the application.

The screenshot shows the 'About Us' page. The sidebar is the same as in the previous screenshots, with 'ABOUT US' highlighted. The main content area has a header 'Test name (112233)' and a sub-header 'About'. The page contains the following text:

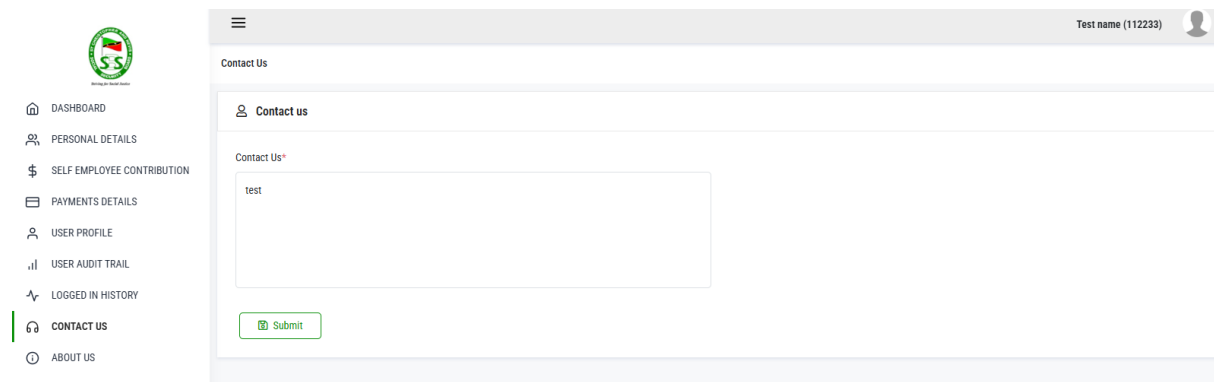

The Social Security Board C3 Wizard v4.0 is a full-fledged application designed to overcome the short-comings or weaknesses of its predecessor. It is a more robust application and addressing all the weaknesses of the previous version.

Here are the salient improvements that were made in this new version:

- A version for Mac Users
- Upon successful registration, Employer data would be retrieved from SSB database. Data will include all employees from the last c3 that was entered and verified as well as C3s for the current year that have already been entered and verified
- For customers with internet connection, data submitted from the C3 Wizard will update SSB database, thus no need to enter C3s manually
- Employers can now input the employees holiday pay and the period for the payment, the application will divide the holiday pay amount based on the period inserted by the Employer
- The C3 Wizard can now easily accommodate exemptions from Social Security, Levy and Severance deductions
- The completion of Non- working Directors remittances is also implemented in this version with similar APIs as the C3
- Self Employed Persons can register to use the application with the ability to retrieve and submit through Application Interfaces (APIs). That is, the ability to retrieve past remittances and submission of new remittances
- In the event the customer does not have internet access, he/she can still use the application. This standalone version does not give the user access to the SSB database to retrieve data, but he/she can still complete their remittances

14. CONTACT US

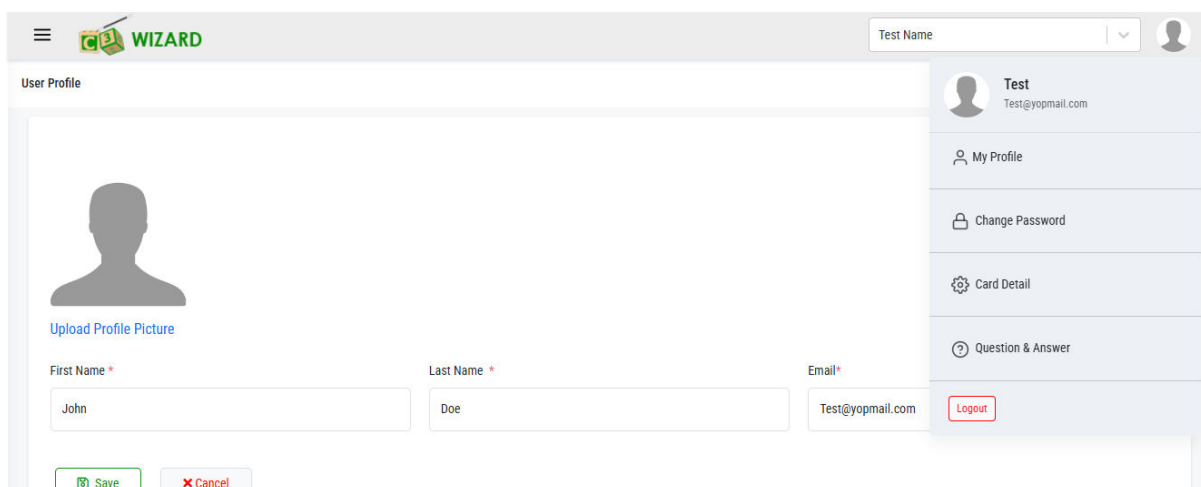

In the Contact Us section, users can send an email to the administrator for any inquiries or support requests.

The screenshot shows a web application interface. On the left is a sidebar menu with the following items: DASHBOARD, PERSONAL DETAILS, SELF EMPLOYEE CONTRIBUTION, PAYMENTS DETAILS, USER PROFILE, USER AUDIT TRAIL, LOGGED IN HISTORY, CONTACT US (highlighted with a green bar), and ABOUT US. The main content area is titled 'Contact Us' and contains a form with a label 'Contact Us*' and a text input field containing the word 'test'. Below the input field is a green 'Submit' button. In the top right corner of the main area, there is a user profile icon and the text 'Test name (112233)'.

15. MY PROFILE

In my profile you can update your user profile like profile picture, first name, last name, and Email

The screenshot shows a web application interface for the 'User Profile' section. The top header includes a 'WIZARD' logo and a 'Test Name' dropdown menu. The main content area is titled 'User Profile' and features a profile picture placeholder with the text 'Upload Profile Picture'. Below this are three input fields: 'First Name *' (containing 'John'), 'Last Name *' (containing 'Doe'), and 'Email*' (containing 'Test@yopmail.com'). At the bottom of the form are 'Save' and 'Cancel' buttons. On the right side, there is a user profile card for 'Test' with the email 'Test@yopmail.com'.
