1. If a C3 already exists for a specific month and you want to generate it again, click Yes on the confirmation pop-up. The system will generate a new C3 for that month with a new schedule number.

The screenshot shows the 'Add C3 Generation' form in the application. A confirmation pop-up is displayed in the center of the screen. The pop-up contains the following text:

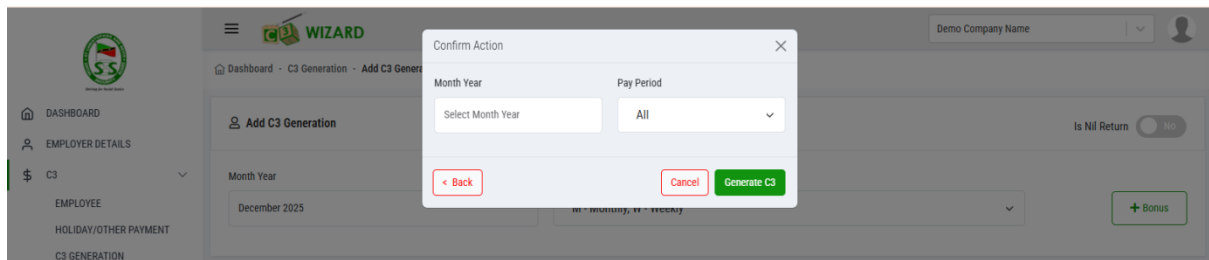

Confirm Action

C3 has already been submitted for this month. Do you want to create a new C3 with another schedule 5

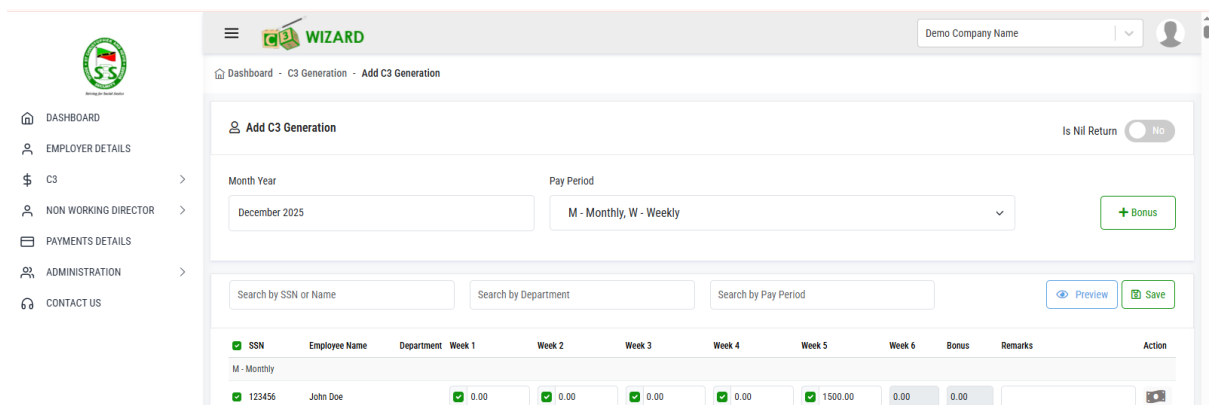

Buttons: **Generate C3 for Other Month >**, **Cancel**, **Yes**

The background form shows the 'Add C3 Generation' section with a 'Month Year' dropdown set to 'December 2025' and a '+ Bonus' button.

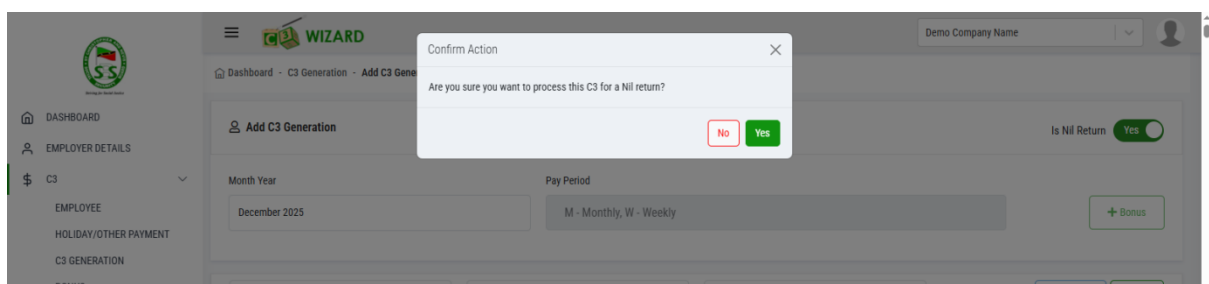

2. To generate a C3 for a different month or year, click Generate C3 for Other Month, select the required month and year, and then click Generate C3. The C3 will be generated for the selected period.

3. The C3 has now been generated for the selected month and year.

4. To generate a Nil C3, enable the **Is Nil Return** toggle and click **Yes** on the confirmation pop-up.

5. You can also add a bonus for an employee while generating a C3. Click **Add Bonus**, enter the amount, payment type, and date, then click **Save**. The bonus will be added successfully.

The screenshot shows the 'Employee Bonus Details' modal form. It contains the following fields and controls:

- Employee***: A dropdown menu with 'Select Employee' as the placeholder.
- Payment Date***: A text input field with the placeholder 'dd-mm-yyyy'.
- Amount***: A text input field.
- Save** and **Cancel** buttons at the bottom right.

The background shows a sidebar with navigation options: DASHBOARD, EMPLOYER DETAILS, C3, EMPLOYEE, HOLIDAY/OTHER PAYMENT, C3 GENERATION, BONUS, REPORTS, Import C3 File, NON WORKING DIRECTOR, and PAYMENTS DETAILS. The main area displays a table with columns: SSN, Employee Name, Department, Week 1, Week 2, Week 3, Week 4, Week 5, Week 6, Bonus, Remarks, and Action. The first row of data shows SSN 123456, Employee Name John Doe, and various weekly amounts.

12. ABOUT US

The About Us page is a read-only page that provides details about the application.

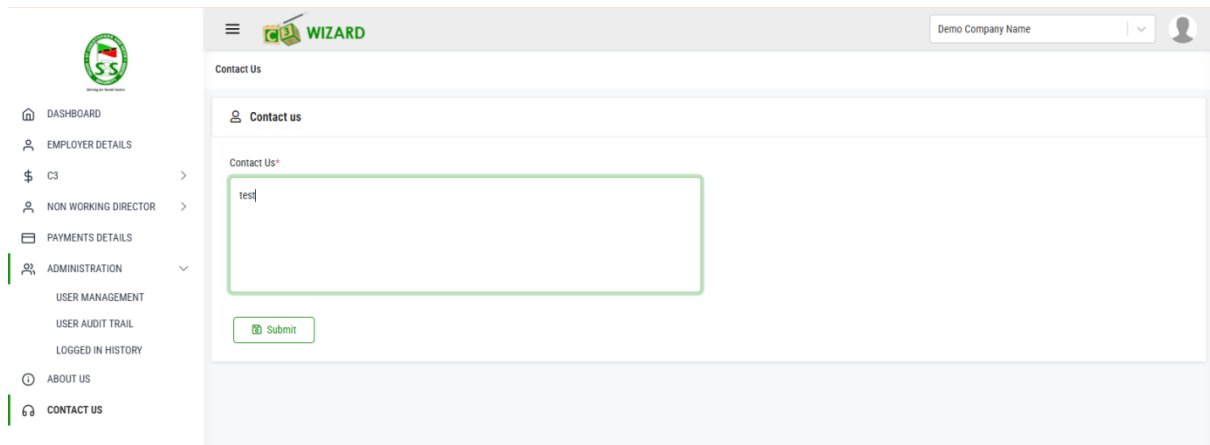

The Social Security Board C3 Wizard v4.0 is a full-fledged application designed to overcome the short-comings or weaknesses of its predecessor. It is a more robust application and addressing all the weaknesses of the previous version.

Here are the salient improvements that were made in this new version:

- A version for Mac Users
- Upon successful registration, Employer data would be retrieved from SSB database. Data will include all employees from the last c3 that was entered and verified as well as C3s for the current year that have already been entered and verified
- For customers with internet connection, data submitted from the C3 Wizard will update SSB database, thus no need to enter C3s manually
- Employers can now input the employees holiday pay and the period for the payment, the application will divide the holiday pay amount based on the period inserted by the Employer
- The C3 Wizard can now easily accommodate exemptions from Social Security, Levy and Severance deductions
- The completion of Non-working Directors remittances is also implemented in this version with similar APIs as the C3
- Self-Employed Persons can register to use the application with the ability to retrieve and submit through Application Interfaces (APIs). That is, the ability to retrieve past remittances and submission of new remittances
- In the event the customer does not have internet access, he/she can still use the application. This standalone version does not give the user access to the SSB database to retrieve data, but he/she can still complete their remittances

13. CONTACT US

In the Contact Us section, users can send an email to the administrator for any inquiries or support requests.

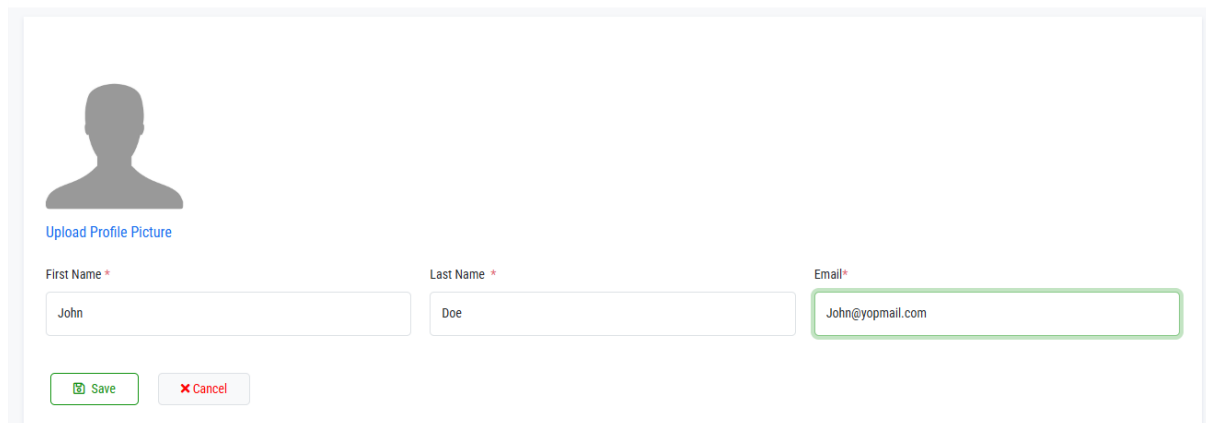

The screenshot shows the 'Contact Us' page in the WIZARD application. The top header includes the WIZARD logo, a 'Demo Company Name' dropdown, and a user profile icon. The left sidebar contains a menu with options: DASHBOARD, EMPLOYER DETAILS, C3, NON WORKING DIRECTOR, PAYMENTS DETAILS, ADMINISTRATION (expanded), USER MANAGEMENT, USER AUDIT TRAIL, LOGGED IN HISTORY, ABOUT US, and CONTACT US (selected). The main content area is titled 'Contact us' and features a text input field with the placeholder 'Contact Us*' and the text 'tes|'. Below the input field is a green 'Submit' button.

14. MY PROFILE

In my profile you can update your user profile like profile picture, first name, last name, and Email

User Profile

The screenshot shows the 'User Profile' page. It features a profile picture placeholder with the text 'Upload Profile Picture' below it. Below the profile picture, there are three input fields: 'First Name *' with the value 'John', 'Last Name *' with the value 'Doe', and 'Email *' with the value 'John@yopmail.com'. The 'Email *' field is highlighted with a green border. At the bottom, there are two buttons: a green 'Save' button and a red 'Cancel' button.

17. QUESTION AND ANSWER

The question you selected and the answer you provided during registration will appear here. You can also modify them from this section.

The screenshot displays the 'WIZARD' application interface. At the top, a header bar contains the 'WIZARD' logo on the left and a 'Demo Company Name' dropdown menu on the right. The main content area is titled 'Question Answer' in green text. It features two question-answer pairs. The first pair, 'Question1 *', has a dropdown menu with the text 'What Is Your Childhood Name' and a corresponding text input field for 'Answer1 *' containing three dots. The second pair, 'Question2 *', has a dropdown menu with the text 'What Is Your Favorite Place' and a corresponding text input field for 'Answer2 *' containing seven dots. Both answer fields have a toggle icon (an eye) to the right. A green 'Save' button with a floppy disk icon is positioned at the bottom of the form. On the right side, a sidebar shows the user's profile: 'Test' with email 'Test@yopmail.com'. Below the profile are links for 'My Profile', 'Change Password', 'Card Detail', and 'Question & Answer' (which is highlighted with a question mark icon). A red 'Logout' button is located at the bottom of the sidebar.
